## RECOMMENDATIONS

- Alert staff to monitor nearby areas with high infestations of recorded pest.
- Give technical assistance and disseminate pest advisories to farmers.
- Information campaign thru multimedia, distribution of IEC materials
- Regular and on-time validation should be done by Regional data managers to avoid delayed reflection of data to the system.

## ANNOUNCEMENT

What: Regional Data Manager's Meeting  
 When: November 24, 2022 (Thursday)  
 via Google Meet Platform
